PPE

Lab Information

Testing Information
For the Public

Please take steps to protect yourself. The ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds.
- Practice social distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- Stay home if you are sick, except to get medical care. If you think you have been exposed to COVID-19 and develop a fever, cough, or shortness of breath, call your health care provider. Your physician will decide if testing is necessary based on your symptoms and known exposures.

Status Updates**

Updated as of 3/28/2020, 4:05pm

**these data are updated once a day*

| | |
|------------------------------|------------------------------------|
| Currently Hospitalized | 48 |
| Currently on Ventilator | 17 |
| Total Nursing Home Residents | 42 |
| Gender | Male = 39.1% Female = 60.9% |
| Age | 0-18: 15 19-64: 259 65+: 130 |

Number of Positive COVID-19 Specimens

Total Number of Positive Specimens*: 409

As of 3/28/2020 at 4:23 pm

Date: March 28, 2020
Source: Arkansas Department of Health
Map created by: Donald McCormick, MSHI

*At the creation of this map, 8 specimens did not have a county associated with the test and requires further follow-up.

**Counties with values less than 5 are masked to maintain patient privacy laws under HIPAA

ADH has activated a call center to answer questions from health care providers and the public about the novel coronavirus. During normal business hours (8:00am – 4:30pm), urgent and non-urgent calls, please call 1-800-803-7847 or email

ADH.CoronaVirus@arkansas.gov. After normal business hours and weekend calls, needing immediate response, please call 1-800-554-5738.
