PPE

Lab Information

Testing Information  
For the Public

Please take steps to protect yourself. The ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds.
- Practice social distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- Stay home if you are sick, except to get medical care. If you think you have been exposed to COVID-19 and develop a fever, cough, or shortness of breath, call your health care provider. Your physician will decide if testing is necessary based on your symptoms and known exposures.

0-18: 17  
 19-64: 307  
 65+: 149

### Number of Positive COVID-19 Specimens

Date: March 30, 2020  
 Source: Arkansas Department of Health  
 Map created by: Donald McCormick, MSHI

**Total Number of Positive Specimens\*: 449**  
 As of 3/29/2020 at 2:49 pm

\*At the creation of this map, 6 specimens did not have a county associated with the test and requires further follow-up  
 \*\*Counties with values of less than 5 are masked to maintain patient privacy laws under HIPAA

ADH has activated a call center to answer questions from health care providers and the public about the novel coronavirus. During normal business hours (8:00am – 4:30pm), urgent and non-urgent calls, please call 1-800-803-7847 or email ADH.CoronaVirus@arkansas.gov. After normal business hours and weekend calls, needing immediate response, please call 1-800-554-5738.

Click [here](#) for a list of Local Health Units that are partially or fully closed. All other health units not listed are fully open. The list is subject to change on a day to day basis.
