## COVID-19 Hotline (800) 722-5725

The COVID-19 hotline is a service operated by the healthcare professionals at the KY Poison Control Center who can provide advice and answer questions. Please be patient as we are handling a high volume of calls and want to give everyone the time they deserve. For general information, please review the website prior to calling the hotline. Guidance is being added as it becomes available.

## KYcovid19@ky.gov

For general inquires, email [KYcovid19@ky.gov](mailto:KYcovid19@ky.gov). Please be patient as we handle a high volume of emails.

**SAMHSA OTP Guidance:** SAMHSA issued guidance allowing states with and without emergency declarations to allow Opioid Treatment Programs (OTPs) to provide 28 days of take-home medication to stable patients and 15 days of medication to less stable patients whom the OTP believes can responsibly manage this amount of medication.

**SAMHSA 42 CFR Part 2 Guidance:** SAMHSA issued guidance which allows providers to share patient SUD diagnosis information that would normally be protected under 42 CFR Part 2 in instances of a bona fide medical emergency. Usage of the medical emergency exception must be documented by providers.

**CMS Guidance to Catastrophic Coverage Plans:** CMS issued an FAQ clarifying that catastrophic coverage plans must include coverage of COVID-19 diagnosis and treatment under the Essential Health Benefits. CMS will waive enforcement actions against any such plan which provides COVID-19 services before patients pay the plan's deductible, and encourages plans and states to provide such pre-deductible coverage.
