***Note on Cumulative Deaths 8/9/20:** Today's cumulative death total has been reduced by one. Two additional deaths were reported today and three cases previously marked as deceased were corrected by local health jurisdictions. These cases may have been recorded as deceased in error or jurisdictions may have received additional information indicating previously reported deaths were determined to not be COVID-19 associated. MDHHS and the local health jurisdictions continue to review cases as part of ongoing efforts to ensure data quality and accurate case and death reporting in Michigan.
