Full pending testing at State Lab only	45

COVID-19 and your child's health

Childhood Vaccines, Checkups, and COVID-19

Providers may not be able to provide well-child visits & immunizations for all patients at this time. If a practice can provide only limited well-child visits, they should prioritize newborn care and vaccination of infants and young children (through 24 months of age) when possible.

The graphic has a textured, light brown background on the left and a green background on the right. On the left, there is a circular icon of a syringe. To its right, the text "Get a Flu Shot!" is written in large, bold, red letters, and "Stay Home When Sick!" is written in large, bold, blue letters below it. On the right side, the hashtag "#FighttheFluNJ" is written in white, bold letters, with a white underline. Below the hashtag, the URL "nj.gov/health/fighttheflunj" is written in white. At the bottom right, there is a logo for "NJ Health New Jersey Department of Health" with a small orange outline of New Jersey.

Flu activity is widespread throughout the state.
