COVID-19 and your child's health

Childhood Vaccines, Checkups, and COVID-19

Providers may not be able to provide well-child visits & immunizations for all patients at this time. If a practice can provide only limited well-child visits, they should prioritize newborn care and vaccination of infants and young children (through 24 months of age) when possible.

Governor Murphy Signs Executive Order to Remove Barriers to Health Care Professionals Joining New Jersey's COVID-19 Response and Provide Protections for Front Line Health Care Responders

The order authorizes the Division of Consumer Affairs to temporarily reactivate the licenses of recently retired health care professionals and grant temporary licenses to doctors licensed in foreign countries. The executive order also temporarily permits certain health care professionals to perform acts outside of their ordinary scope of practice and grants broad civil immunity to health care professionals and facilities providing services in support of New Jersey's COVID-19 response efforts who are acting in good faith.
