Stay Home, Stay
Healthy

Decisive steps to contain COVID-19.

Your family's health is our top priority as we work to prevent the spread of COVID-19 in Pierce County.

Public health follows a playbook for viral outbreaks.

COVID-19 transmission is widespread in our region. Decisive action is required.

Social distancing and basic hygiene are the best steps you can take to protect yourself.

Gov. Inslee ordered:

- [Stay home. Stay healthy.](#)
- [Closures of bars, restaurants, and other entertainment and recreational facilities.](#)
- [Schools to close for 6 weeks.](#)
- [Canceled gatherings of 50 or more people](#)

What underlying medical conditions put me at high risk for severe illness from COVID-19?

Prevent the spread of COVID-19 in Pierce County

Follow basic steps to prevent the spread of COVID-19:

- Wash your hands with hot water and soap for at least 20 seconds.
- Avoid touching your face, mouth and eyes.
- Stay home if you have a fever or cough or experience shortness of breath.

- Cover sneezes and coughs with your elbow.
- Disinfect frequently used surfaces such as tabletops, doorknobs, bathroom fixtures, mobile devices and keyboards.
- Avoid sharing personal items like water bottles, eating utensils or towels.
- Avoid large social gatherings and crowds.
