Coronavirus (COVID-19) latest Northern Territory specific updates

Public Health Emergency declared

The Minister for Health has declared a public health emergency for the whole of the Territory under the [Public and Environmental Health Act 2011](#) in response to Novel coronavirus (COVID-19). This will be in force until further notice.

This means:

- Non-essential large gatherings are prohibited (500 people outdoors and more than 100 people indoors)
- People are legally directed to self-quarantine upon returning from overseas travel

There are penalties of up to \$62,800 for failure to comply with the new COVID-19 directions.
