Queensland's Chief Health Officer has provided new [public health directives](#) in regard to [Non-essential business closures](#), [Trading hours](#), [Mass gatherings](#), [Local Government election and State by-elections](#), [Aged care](#) and [Corrective services](#)

Contact tracing

Public health alerts for contact tracing are in place for the following locations:

Region	Location	Date and time	Health advice
Gold Coast	Rick Shores restaurant	Between 12pm and 1:30pm, Friday 13 March 2020	Risk of contraction is deemed very low. Anyone who attended this location during this period should monitor their health for 14 days. If you become unwell, contact a doctor immediately. Call ahead and advise of your symptoms and exposure so they can prepare for your visit.

Region	Location	Date and time	Health advice
Sunshine Coast	Sails Restaurant, Noosa	4pm–11.15pm Wednesday 18 March and 3pm–10pm Thursday 19 March	Risk of contraction is deemed very low. Anyone who attended this location during this period should monitor their health for 14 days. If you become unwell, contact a doctor immediately. Call ahead and advise of your symptoms and exposure so they can prepare for your visit.

Please note that public contact tracing alerts will be removed after 14 days as they are no longer applicable.

Advice for passengers on flights with a confirmed case of COVID-19

All travellers returning or arriving from overseas **must** self-isolate for 14 days. This applies to everyone, even if you have no symptoms.

If you develop symptoms

If you develop symptoms, you must call your GP or 13HEALTH on 13 43 25 84.

For severe symptoms, such as shortness of breath at rest or difficulty breathing, dial 000.

For more information refer to <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19>

Symptoms and testing

If you have been overseas in the last 14 days and are feeling unwell, see a doctor immediately. Before your appointment, call ahead and advise of your symptoms and recent travel so they can prepare for your visit.

Common symptoms of COVID-19 coronavirus include:

- fever
- a cough
- sore throat
- fatigue
- shortness of breath.

See a doctor immediately if you have these symptoms and have travelled overseas in the past 14 days or have had contact with a confirmed case of COVID-19 coronavirus. Before your appointment, call ahead and advise of your symptoms and recent travel so necessary precautions can be taken.

For information on COVID-19 coronavirus, contact 13 HEALTH ([13 43 25 84](tel:13432584)) or visit www.health.qld.gov.au/coronavirus.

Testing update

As at 25 March 2020	Samples tested
Total	38,860
<i>Tests pending (not included in total above)</i>	<i>1,183</i>

Read more about [testing](#) including current testing criteria.

Travel advice

The Australian government has implemented border control measures and [travel advice](#) to help contain the spread of the virus. These measures are regularly updated so we recommend checking the latest [statements on the COVID-19 coronavirus situation](#).
