## For public action

## Adelaide Airport cluster

Investigations are ongoing into the cluster of 34 cases identified at Adelaide Airport.

Anyone who is sick with symptoms of COVID-19 and has been at the Adelaide Airport, including in the terminal or car park, since Tuesday 17 March should present for testing.

## Barossa cluster

There are 40 confirmed cases linked to areas within the Barossa region including Tanunda, Nuriootpa, Williamstown, Angaston and Lyndoch.

Anyone in these areas from Saturday 14 March 2020 who develops symptoms should immediately self-isolate and be tested.

Travel in or out of these towns should now be limited and any non-essential travel within the region is discouraged. Anyone attending work should adhere to social distancing guidelines and working from home is encouraged.
