[COVID-19 Screening Tool - Experiencing symptoms? Take a self-assessment](#)

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: March 18, 2020

Public health officials advise that two additional presumptive positive cases of COVID-19 have been identified in Manitoba. This brings the total number of lab-confirmed positive and presumptive positive cases in Manitoba to 17.

Manitoba's first drive-thru community testing site for COVID-19 opened this afternoon in Selkirk at 622 Superior Ave. The new site will see patients referred to the site drive up to be screened by health-care workers.

CancerCare Manitoba is taking proactive measures to help reduce the impact of COVID-19. Starting Thursday, breast cancer screening services at BreastCheck will be suspended for at least two weeks. Clients will be notified directly to confirm that their appointments will be affected. Clients can call (toll-free) 1-855-95-CHECK (24325) if they have any questions or concerns.

Starting tomorrow, Employment and Income Assistance (EIA) clients are asked to contact staff through the call centre whenever possible, in order to follow public health recommendations on public distancing.

In light of recommendations about social distancing and limiting public gatherings, Manitoba Conservation and Climate has cancelled all planned interpreter-led events in Manitoba parks and has closed interpretive centres until further notice.
