Current Situation

NEW Last updated: May 23, 2020

Current Situation

Public health officials advise no new cases of COVID-19 have been identified as of 9:30 a.m. today. The total number of lab-confirmed positive and probable positive cases in Manitoba remains at 292.

The data also shows:

- no individuals in hospital or intensive care;
- 17 active cases and 268 individuals who have recovered from COVID-19; and
- the number of deaths due to COVID-19 remains at seven.

As of yesterday, an additional 598 laboratory tests were performed. This brings the total number of tests performed since early February to 37,870.

For up-to-date information on testing criteria and community screening sites, visit: manitoba.ca/covid19/locations.html. For more information and to access the online screening tool for COVID-19, visit sharedhealthmb.ca/covid19/screening-tool/
