### Current Situation

**NEW** Last updated: May 27, 2020

#### Current Situation

Public health officials advise no new cases of COVID-19 have been identified as of 9:30 a.m. today. The total number of lab-confirmed positive and probable positive cases in Manitoba remains at 292.

The data also shows:

- no individuals in hospital or intensive care;
- 14 active cases and 271 individuals who have recovered from COVID-19; and
- the number of deaths due to COVID-19 remains at seven.

Manitoba's plan for Phase Two of service restoration was announced earlier today. More information, including workplace guidance for businesses can be found at <https://www.gov.mb.ca/covid19/restoring/index.html>.
