Current Situation

NEW Last updated: July 14, 2020

Public health officials advise five new cases of COVID-19 have been identified as of 9:30 a.m. today. The total number of lab-confirmed positive and probable positive cases in Manitoba is now 330.

The data also shows:

- no individuals are in hospital;
- five active cases and 318 individuals have recovered from COVID-19; and
- the number of deaths due to COVID-19 remains at seven.

An additional 304 tests were completed on Monday, bringing the total number of tests performed since early February to 71,803.

One of the individuals announced today as a positive COVID-19 case was a passenger on WestJet flight 261 Winnipeg to Calgary June 27 and WestJet flight 526 Calgary to Winnipeg July 2. Information about affected rows for both flights are being confirmed, and will be updated on the website at www.manitoba.ca/covid19/flights.html when available. While public health assesses the risk to others as low, it is sharing this information to ensure people are aware and know to seek testing if symptoms develop.
