# #RESTART<sup>MB</sup> Pandemic Response System

## Provincial Response Level: CAUTION

COVID-19 is still a threat across Manitoba, however transmission levels are low. The Chief Provincial Public Health Officer has set the response level to yellow.

COVID-19 Screening Tool - Experiencing  
symptoms?

Contact Health Links-Info Santé at 204-788-8200 or 1-888-315-9257 (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

## Current Situation

**NEW** Last updated: September 8, 2020

Public health officials advise the current five-day COVID-19 test positivity rate is 1.3 per cent and 11

new cases of the virus have been identified as of 9:30 a.m. today. This brings the total number of cases in Manitoba to 1,349.

The data shows:

- one case in the Interlake-Eastern health region;
- two cases in the Southern Health-Santé Sud health region; and
- eight cases in the Winnipeg health region.

The data also shows:

- 393 active cases and 940 individuals have recovered from COVID-19;
- there are 13 people in hospital and three people in intensive care; and
- the number of deaths due to COVID-19 is 16.

Case investigations continue and if a public health risk is identified, the public will be notified.

Confirmed laboratory testing numbers show an 1,219 tests were completed on Monday, bringing the total number of lab tests completed since early February to 148,537.

As students, teachers and staff return to school this week, public health officials strongly encourage all Manitobans to return to the fundamentals to help stop the spread of COVID-19. This means staying home if you're sick, washing/sanitizing your hands, covering your cough and physically distancing when you are with people outside your household. If you can't physically distance, wear a mask.
