#RESTART^{MB} Pandemic Response System

Provincial Response Level: CAUTION

COVID-19 is still a threat across Manitoba, however transmission levels are low. The Chief Provincial Public Health Officer has set the response level to yellow.

COVID-19 Screening Tool - Experiencing
symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: September 27, 2020

The current five-day COVID-19 test positivity rate is 2.2 per cent and 51 new cases of the virus have been identified as of 9:30 a.m. today, bringing the number of cases in Manitoba to 1,880.

The data shows:

- one case in the Prairie Mountain Health region;
- eight cases in the Interlake-Eastern health region;
- two cases in the Northern health region;
- four cases in the Southern Health-Santé Sud; and
- 36 cases in the Winnipeg health region.

The data also shows:

- 589 active cases and 1,272 individuals have recovered from COVID-19;
- there are 13 people in hospital and six people in intensive care; and
- the number of deaths due to COVID-19 is 19.

Preliminary laboratory testing numbers show 2,200 tests were completed on Friday, bringing the total number of lab tests completed since early February to 178,067. Case investigations continue and if a public health risk is identified, the public will be notified.

Manitoba's public health officials will be elevating the #RestartMB Pandemic Response System level for the Winnipeg Metropolitan Region to Restricted (orange) effective Sept. 28, with new measures being put in place help slow the spread of COVID-19. This includes the City of Winnipeg and several communities and rural municipalities outside Winnipeg. Masks will be mandatory in all indoor public places in these communities. All private and public gatherings will be restricted to 10 people, both indoors and outdoors.
