COVID-19 Screening Tool - Experiencing symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (tollfree) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: October 21, 2020

Public health officials advise the 43rd death due to COVID-19 has been reported, a male in his 80s from the Winnipeg health region. This case was previously announced and is connected to the

outbreak at Parkview Place.

The current five-day COVID-19 test positivity rate is 4.8 per cent and 135 new cases of the virus have been identified as of 9:30 a.m. and brings the number of lab-confirmed cases in Manitoba to 3,626.

Today's data shows:

- 17 cases in the Interlake-Eastern health region;
- four cases in the Northern health region;
- 12 cases in the Southern Health-Santé Sud health region; and
- 102 cases in the Winnipeg health region.

The data also shows:

- 1,774 active cases and 1,809 individuals who have recovered from COVID-19;
- Hospital and ICU data is not available due to a technical issue related to the data refresh. Data will be posted as soon as we are able.
- the number of deaths due to COVID-19 is 43.

Laboratory testing numbers show 1,861 tests were completed yesterday, bringing the total number of lab tests completed since early February to 230,641. Case investigations continue and if a public health risk is identified, the public will be notified.
