COVID-19 Screening Tool - Experiencing
symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: November 15, 2020

Public health officials advise 10 additional deaths due to COVID-19 have been reported today that range from Nov. 3 to 14 and include:

- a female in her 80s from the Winnipeg health region;
- a female in her 80s, two males in their 80s, two females in their 90s and two males in their 90s all from the Winnipeg health region and linked to the outbreak at the Maples Long Term Care Home;
- a male in his 100s from the Winnipeg health region and linked to the Seine River Retirement Residence, Assisted Living Facility cluster; and
- a female in her 70s from Southern Health-Santé Sud.

The current five-day COVID-19 test positivity rate is 12.4 per cent provincially and 13.1 per cent in Winnipeg, and 494 new cases of the virus have been identified as of 9:30 a.m., bringing the total lab-confirmed cases in Manitoba to 10,947.

Today's data shows:

- 28 cases in the Interlake-Eastern health region;
- 30 cases in the Northern health region;
- 34 cases in the Prairie Mountain Health region;
- 136 cases in the Southern Health-Santé Sud health region; and
- 266 cases in the Winnipeg health region.

The data also shows:

- 6,715 active cases and 4,070 individuals who have recovered from COVID-19;
- there are 220 people in hospital with 41 people in intensive care; and
- the number of deaths due to COVID-19 is 162.

Laboratory testing numbers show 2,715 tests were completed yesterday, bringing the total number of lab tests completed since early February to 309,794. Case investigations continue and if a public health risk is identified, the public will be notified.
