- A Female in her 90's from the Winnipeg region;
- A Male in his 90's from the Southern Health-Sante Sud region and linked to the outbreak at the Bridgepark Manor assisted living facility

The current five-day COVID-19 test positivity rate is 13.4 per cent provincially and 13.7 per cent in Winnipeg. As of 9:30 a.m. today, 343 new cases of the virus have been identified. However, one case was removed due to a data correction making the total 342 and the total number of lab-confirmed cases in Manitoba to 16,825.

Today's COVID-19 data shows:

- 23 cases in the Interlake-Eastern health region;
- 46 cases in the Northern health region;
- 14 cases in the Prairie Mountain Health region;
- 53 cases in the Southern Health-Santé Sud health region; and
- 207 cases in the Winnipeg health region.

The data also shows:

- 9,260 active cases and 7,253 individuals who have recovered from COVID-19;
- there are 342 people in hospital with 43 people in intensive care due to COVID-19; and
- the number of deaths due to COVID-19 is 312.

Laboratory testing numbers show 2,611 tests were completed yesterday, bringing the total number of lab tests completed since early February to 355,081. Case investigations continue and if a public health risk is identified, the public will be notified.
