- A Female in her 100's from the Winnipeg region and linked to the outbreak at Holy Family Personal Care Home.

The current five-day COVID-19 test positivity rate is 13.1 per cent provincially and 13.8 per cent in Winnipeg. As of 9:30 a.m. today, 283 new cases of the virus have been identified. However, one case was removed due to a data correction making the total 282 and the total number of lab-confirmed cases in Manitoba to 17,107

Today's COVID-19 data shows:

- 17 cases in the Interlake-Eastern health region;
- 22 cases in the Northern health region;
- 12 cases in the Prairie Mountain Health region;
- 54 cases in the Southern Health-Santé Sud health region; and
- 178 cases in the Winnipeg health region.

The data also shows:

- 9,066 active cases and 7,713 individuals who have recovered from COVID-19;
- there are 338 people in hospital with 48 people in intensive care due to COVID-19; and
- the number of deaths due to COVID-19 is 328.

Laboratory testing numbers show 2,253 tests were completed yesterday, bringing the total number of lab tests completed since early February to 357,707. Case investigations continue and if a public

health risk is identified, the public will be notified.
