COVID-19 Screening Tool - Experiencing symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

### Current Situation

**NEW** Last updated: December 3, 2020

Public health officials advise 12 additional deaths due to COVID-19 have been reported today, including:

- A Male in his 30's from the Interlake-Eastern health region;
- A Male in his 50's from the Northern health region;
- A Male in his 50's from the Southern Health-Sante Sud health region and linked to the outbreak at the Menno Home;
- A Male in his 70's from the Winnipeg health region and linked to the outbreak at Golden Links Lodge;
- A Female in her 70's from the Southern Health-Sante Sud health region;
- A Female in her 70's from the Southern Health-Sante Sud health region and linked to the outbreak at Fernwood Place;
- A Female in her 80's from the Winnipeg health region;
- A Female in her 90's from the Winnipeg health region;
- A Female in her 90's from the Winnipeg health region and linked to the outbreak at Maples Long Term Care Home;
- A Male in his 90's from the Winnipeg health region and linked to the outbreak at Golden Links Lodge;
- A Male in his 90's from the Southern Health-Sante Sud health region; and
- Female in her 90's from the Southern Health-Sante Sud health region and linked to the outbreak at the Menno Home.

The current five-day COVID-19 test positivity rate is 13.1 per cent provincially and 14.9 per cent in Winnipeg. As of 9:30 a.m. today, 368 new cases of the virus have been identified. However, one case was removed due to a data correction bringing the total to 367 and the total number of lab-confirmed cases in Manitoba to 17,750.

Today's COVID-19 data shows:

- 21 cases in the Interlake-Eastern health region;
- 48 cases in the Northern health region;
- 31 cases in the Prairie Mountain Health region;
- 57 cases in the Southern Health-Santé Sud health region; and
- 211 cases in the Winnipeg health region.

The data also shows:

- 9,129 active cases and 8,268 individuals who have recovered from COVID-19;
- there are 357 people in hospital with 52 people in intensive care due to COVID-19; and
- the number of deaths due to COVID-19 is 353. Note, due to a data error, one death that had been reported earlier has been removed.

Laboratory testing numbers show 2,913 tests were completed yesterday, bringing the total number of lab tests completed since early February to 362,973. Case investigations continue and if a public health risk is identified, the public will be notified.
