The current five-day COVID-19 test positivity rate is 13.5 per cent provincially and 14.5 per cent in Winnipeg. As of 9:30 a.m. today, 280 new cases of the virus have been identified. However, one case was removed due to a data correction bringing the new total to 279. The total number of lab-confirmed cases in Manitoba to 19,655.

Today's COVID-19 data shows:

- 27 cases in the Interlake-Eastern health region;
- 19 cases in the Northern health region;
- 15 cases in the Prairie Mountain Health region;
- 26 cases in the Southern Health-Santé Sud health region; and
- 193 cases in the Winnipeg health region.

The data also shows:

- 5,348 active cases and 13,869 individuals who have recovered from COVID-19;
- there are 300 people in hospital with 38 people in intensive care due to COVID-19; and
- the number of deaths due to COVID-19 is 438.

Laboratory testing numbers show 1,862 tests were completed yesterday, bringing the total number of lab tests completed since early February to 377,623. Case investigations continue and if a public health risk is identified, the public will be notified.
