COVID-19 Screening Tool - Experiencing symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: January 25, 2021

Public health officials advise five additional deaths in people with COVID-19 have been reported today including:

- a female in her 70s from Prairie Mountain Health region, linked to the outbreak at McCreary/Alonsa Health Centre;
- a female in her 80s from Prairie Mountain Health region, linked to the outbreak at McCreary/Alonsa Health Centre;
- a male in his 80s from Prairie Mountain Health region, linked to the outbreak at the medical unit at the Dauphin Regional Health Centre;
- a female in her 50s from the Winnipeg health region; and
- A female in her 70s from the Winnipeg health region, linked to the outbreak at Concordia Place.

The current five-day COVID-19 test positivity rate is 10.8 per cent provincially and 6.8 per cent in Winnipeg. As of 9:30 a.m. today, 113 new cases of the virus have been identified and brings the total number of lab-confirmed cases in Manitoba to 28,810.

Today's COVID-19 data shows:

- 10 cases in the Interlake-Eastern health region;
- 58 cases in the Northern health region;
- six cases in the Prairie Mountain Health region;
- six cases in the Southern Health-Santé Sud health region; and
- 33 cases in the Winnipeg health region.

The data also shows:

- 3,542 active cases and 24,464 individuals who have recovered from COVID-19;
- there are 145 people in hospital with active COVID-19 as well as 127 people in hospital with COVID-19 who are no longer infectious but continue to require care, for a total of 272 hospitalizations;
- there are 23 people in intensive care units with active COVID-19 as well as 13 people with COVID-19 who are no longer infectious but continue to require critical care for a total of 36 ICU patients; and
- the total number of deaths due to COVID-19 is 804.

Laboratory testing numbers show 1,595 tests were completed yesterday, bringing the total number of lab tests completed since early February 2020 to 466,635. Case investigations continue and if a public health risk is identified, the public will be notified.
