COVID-19 Screening Tool - Experiencing symptoms?

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: February 14, 2021

Public health officials advise five additional deaths in people with COVID-19 has been reported today:

- a male in his 70s from the Interlake-Eastern health region linked to the outbreak at Kin Place Personal Care Home;
- a female in her 80s from the Winnipeg health region;
- a female in her 90s from the Winnipeg health region;
- a female in her 90s from the Winnipeg health region linked to the outbreak at Charleswood Care Centre; and
- a male in his 90s from the Winnipeg health region linked to the outbreak at Concordia Place Personal Care Home.

The current five-day COVID-19 test positivity rate is 5.2 per cent provincially and 3.9 per cent in Winnipeg. As of 9:30 a.m. today, 80 new cases of the virus have been identified. However, one case has been removed due to a data correction. This brings the net-new number of cases today to 79 and the total number of lab-confirmed cases in Manitoba to 30,766.

Today's COVID-19 data shows:

- two cases in Interlake-Eastern health region;
- 44 cases in the Northern health region;
- one case in the Prairie Mountain Health region;
- four cases in the Southern Health-Santé Sud health region; and
- 29 cases in the Winnipeg health region.

Case investigations continue and if a public health risk is identified, the public will be notified.

The data also shows:

- 1,619 active cases and 28,276 individuals who have recovered from COVID-19;
- 84 people in hospital with active COVID-19 as well as 142 people in hospital with COVID-19 who are no longer infectious but continue to require care, for a total of 226 hospitalizations;
- 12 people in intensive care units with active COVID-19 as well as 14 people with COVID-19 who are no longer infectious but continue to require critical care for a total of 26 ICU patients; and
- the total number of deaths in people with COVID-19 is 871.

Laboratory testing numbers show 1,580 tests were completed yesterday, bringing the total number of lab tests completed since early February 2020 to 500,840.

Due to the Monday Feb. 15 Louis Riel Day holiday, there will be no bulletin or media briefing. Both will resume Tuesday Feb. 16.
