COVID-19 Screening Tool - Experiencing symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: February 16, 2021

Public health officials advise four additional deaths in people with COVID-19 has been reported today:

- a male in his 60s from the Winnipeg health region;
- a male in his 70 from the Winnipeg health region, linked to the outbreak at St. Boniface Hospital unit B5;
- a male in his 90s from the Winnipeg health region; and
- a female in her 90s from the Winnipeg health region.

The current five-day COVID-19 test positivity rate is 5.9 per cent provincially and 4.5 per cent in Winnipeg. As of 9:30 a.m. today, 167 new cases of the virus have been identified. These include cases from the holiday Monday and Tuesday. However, one case has been removed due to a data correction. This brings the net-new number of cases today to 166 and the total number of lab-confirmed cases in Manitoba to 30,932.

Today's COVID-19 data shows:

- 13 cases in Interlake-Eastern health region;
- 93 cases in the Northern health region;
- two case in the Prairie Mountain Health region;
- eight cases in the Southern Health-Santé Sud health region; and
- 51 cases in the Winnipeg health region.

Case investigations continue and if a public health risk is identified, the public will be notified.

The data also shows:

- 1,625 active cases and 28,432 individuals who have recovered from COVID-19;
- 86 people in hospital with active COVID-19 as well as 144 people in hospital with COVID-19 who are no longer infectious but continue to require care, for a total of 230 hospitalizations;
- 13 people in intensive care units with active COVID-19 as well as 13 people with COVID-19 who are no longer infectious but continue to require critical care for a total of 26 ICU patients; and

the total number of deaths in people with COVID-19 is 875.

Laboratory testing numbers show 1,390 tests were completed yesterday, bringing the total number of lab tests completed since early February 2020 to 503,523.
