COVID-19 Screening Tool - Experiencing
symptoms?

Take a self-assessment

Contact **Health Links-Info Santé** at **204-788-8200** or **1-888-315-9257** (toll-free) if you're experiencing symptoms of the 2019 novel coronavirus.

Do not call 911 unless it is an emergency.

Current Situation

NEW Last updated: February 21, 2021

Public health officials advise two additional deaths in people with COVID-19 have been reported today:

- a male in his 70s from the Southern Health - Sante Sud health region, linked to the outbreak at Heritage Life Personal Care Home in Niverville; and
- a female in her 80s from the Winnipeg health region.

The current five-day COVID-19 test positivity rate is 5.3 per cent provincially and 4.1 per cent in Winnipeg. As of 9:30 a.m. today, 58 new cases of the virus have been identified. The total number of lab-confirmed cases in Manitoba to 31,386.

Case investigations continue and if a public health risk is identified, the public will be notified.

Today's COVID-19 data shows:

- four cases in Interlake-Eastern health region;
- 25 cases in the Northern health region;
- zero cases in the Prairie Mountain Health region;
- five cases in the Southern Health-Santé Sud health region; and
- 24 cases in the Winnipeg health region.

The data also shows:

- 1,180 active cases and 29,322 individuals who have recovered from COVID-19;
- 77 people in hospital with active COVID-19 as well as 131 people in hospital with COVID-19 who are no longer infectious but continue to require care, for a total of 208 hospitalizations;
- 13 people in intensive care units with active COVID-19 as well as 18 people with COVID-19 who are no longer infectious but continue to require critical care, for a total of 31 ICU patients;
- the total number of deaths in people with COVID-19 is 884; and
- the total number of confirmed variant of concern cases is four.

Laboratory testing numbers show 2,024 tests were completed yesterday, bringing the total number of lab tests completed since early February 2020 to 512,566.
