Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

We update test results and vaccine doses every weekday.

The number of negative test results for January 26 has reduced by 1 compared to January 25. This is a correction following a routine data check. It does not affect the number of confirmed or active cases in Yukon.
