Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

Updated: February 8, 2021, at 15:00

Case count

Confirmed cases	70
Recovered cases	69
Active cases	0
Deceased	1

We update case counts daily, Monday through Friday.

Vaccines administered

Total doses administered	11,059
--------------------------	--------

People tested

Total number of tests	7,674
Total people tested	6,381
Number of people with negative results	6,300
Number of people with pending results	11

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers. We update this information daily, Monday through Friday.

Case and exposure notifications in the previous 7 days

There are no current [potential COVID-19 exposure notices](#). Read all [Chief Medical Office of Health updates](#).
