# Case and vaccine counts: COVID-19

If you have a non-medical question, email <u>covid19info@gov.yk.ca</u>. If you have a medical question, phone 811.

### Updated: February 11, 2021, at 15:00

We update this information daily, Monday through Friday.

#### Case count

Confirmed cases	70
Recovered cases	69
Active cases	0
Deceased	1

#### Vaccines administered

1st shot	10,604
2nd shot	830
Total doses	11,434

### People tested

Total number of tests	7,760
Total people tested	6,436
Number of people with negative results	6,342
Number of people with pending results	24

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.

## Case and exposure notifications in the previous 7 days

There are no current <u>potential COVID-19 exposure notices</u>. Read all <u>Chief Medical Office of Health updates</u>.
