Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

Updated: February 18, 2021, at 15:00

We update this information daily, Monday through Friday.

Case count

Confirmed cases	72
Recovered cases	69
Active cases	2
Deceased	1

Vaccines administered

1st shot	10,627
2nd shot	917
Total doses	11,544

People tested

Total number of tests	7,942
Total people tested	6,550
Number of people with negative results	6,429
Number of people with pending results	49

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.
