Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

Updated: February 19, 2021, at 15:00

We update this information daily, Monday through Friday.

Case count

Confirmed cases	72
Recovered cases	69
Active cases	2
Deceased	1

Vaccines administered

1st shot	10,627
2nd shot	1,223
Total doses	11,850

People tested

Total number of tests	7,968
Total people tested	6,570
Number of people with negative results	6,471
Number of people with pending results	27

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.
