Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

Updated: February 22, 2021, at 15:00

We update this information daily, Monday through Friday.

Case count

Confirmed cases	72
Recovered cases	69
Active cases	2
Deceased	1

Vaccines administered

1st shot	10,652
2nd shot	1,521
Total doses	12,173

People tested

Total number of tests	8,003
Total people tested	6,595
Number of people with negative results	6,513
Number of people with pending results	10

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.
