Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@gov.yk.ca. If you have a medical question, phone 811.

Updated: March 5, 2021, at 15:00

We update this information daily, Monday through Friday.

Case count

Confirmed cases	72
Recovered cases	71
Active cases	0
Deceased	1

Vaccines administered

1st shot	13,271
2nd shot	7,826
Total doses	21,097

[View the COVID-19 vaccine progress in Yukon.](#)

People tested

Total number of tests	8,157
Total people tested	6,685
Number of people with negative results	6,598
Number of people with pending results	15

Information can change as we check data or it becomes more complete.

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.

Case and exposure notifications in the previous 7 days
