Case and vaccine counts: COVID-19

If you have a non-medical question, email covid19info@yukon.ca. If you have a medical question, phone 811.

Updated: March 9, 2021, at 15:00

We update this information daily, Monday through Friday.

Case count

Confirmed cases	72
Recovered cases	71
Active cases	0
Deceased	1

People tested

Total number of tests	8,199
Total people tested	6,712
Number of people with negative results	6,627

Information can change as we check data or it becomes more complete.

1 person can be tested more than once for COVID-19. That's why there's a difference between these 2 sets of numbers.

Vaccines administered

1st shot	15,572
2nd shot	8,840
Total doses	24,412

Territorial vaccine progress tracker

Updated: March 8, 2021

We update this tracker once a week.
