WHAT IS CORONAVIRUS?

Coronavirus or COVID-19 is a new strain of the coronavirus, which was first identified in Wuhan City, China in 2019. COVID-19 is a member of the coronavirus family (a group of viruses) that has never been encountered before.

WHAT ARE THE SYMPTOMS?

The virus most commonly causes:

- ✓ coughing
- ✓ fever
- ✓ tiredness
- ✓ breathing difficulties

These symptoms are usually mild and begin gradually but commonly occur within 1-10 days after a person has been exposed.

Some people become infected but don't develop any symptoms and don't feel unwell. Around 1 out of every 6 people who gets COVID-19 becomes seriously ill and develops difficulty breathing.

HOW DO I GET MORE INFORMATION?

For further information read our [frequently asked questions page](#) or contact the Flu Hotline on [1 800 534 8600](#) or [947 3077](#) or email flu@hsa.ky.

Download the self-isolation information sheet [here](#).

Self-isolation

Isolate for yourself with 8 critical symptoms of infection, who are isolating themselves due to potential exposure to novel coronavirus (COVID-19). These actions will help to protect others inside & outside of your home from infection.

Isolate yourself

- Stay at home. Do not go to work, school, or public places.
- Do not visit family or friends.
- Do not travel by air, land, or sea.
- Do not go to public places, such as shopping centres, restaurants, or bars.
- Do not go to public places, such as shopping centres, restaurants, or bars.

Prevent the spread of infection

- Wash your hands frequently with soap and water for at least 20 seconds.
- Wear a face mask when you are around other people.
- Wash your hands frequently with soap and water for at least 20 seconds.
- Wash your hands frequently with soap and water for at least 20 seconds.

Take care of your health & wellbeing

- Get plenty of rest and stay hydrated.
- Take your temperature regularly.
- Take your temperature regularly.
- Take your temperature regularly.

Seek help if you develop symptoms or existing symptoms worsen (eg difficulty breathing) by calling the Flu Hotline on 1 800 534 8600 or 947 3077. For emergencies call 911.
