What Suppression Levels Are We On?

We are currently on the following suppression levels for the Cayman Islands. Each suppression level and guidance is specific to each island:

- Grand Cayman, Suppression Level 3
- Cayman Brac, Suppression Level 3
- Little Cayman, Suppression Level 2

after use. Viruses can live for hours in tissues.

 **Kill it.** By avoiding close contact with those suffering from acute respiratory illness, avoiding travel if you have flu-like symptoms (or a cough or a fever) we can help kill the virus.

► Tuesday, 2 June Government Update: Of 59 results received today, one tested positive from community transmission. The Cayman Islands now leads the region in testing with over 12,000 tests completed to date. Government remains on track for cautious reopening of the economy and the current trend of results are very encouraging. Outgoing London evacuation flight scheduled for 12 June is sold out, but there is still room on the return flight for Caymanians and Permanent Residents. [Read more](#)
