Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 1st May, 2020

On 01/05/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached).

The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed that no new Covid-19 case has been detected after 3rd April 2020. As on date, Goa has had seven positive cases of Covid-19, and all seven patients have recovered. After recovery, these patients were shifted to a Quarantine facility outside the Covid Hospital, as per norms for further quarantine. 141 tests for Covid (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey), were done during the last 24 hours, on SARI/ILI patients, all of which were negative. The SEC noted with caution that Goa had not yet faced any community transmission.
2. The SEC deliberated on the SOP to be followed for the inter-state movement of the persons stranded due to lockdown, after the start of special train services as per MHA guidelines issued today for this purpose. After discussions, the following course of action was decided:
 - a. Earlier in the day, the Principal Secretary, Science and Technology held a meeting with different stakeholders. He has asked the representatives of industries to collect and prioritize the information on the employees who need to come from outside Goa. The SEC advised that the future action plan (SOP) should be based on the data so received from the industry.
 - b. The SEC advised Secretary Health to develop a protocol for Covid testing and home quarantine for returnees, as their number would be large as compared to our current capacity. There was a felt need for a testing protocol for those arriving by train.

- c. Shri Kunal, Nodal Officer presented the revised SOP. The SEC agreed with the broad contours of the SOP and asked him to be prepared for the evolving dynamics based on the data received from the different sources including the online portal.
 - d. Director, Panchayat informed that data collection is going on in all Panchayats. Most of those contacted have expressed desire to go back to their home State. The SEC advised him to share the data with the Nodal officer on a regular basis.
 - e. The SEC also advised Shri Kunal to monitor the compilation of the data from different sources, to clean the data for removing the duplicate entries based on their mobile numbers or other identifiers. Shri Hemant and Shri Shashank would assist him in this task.
 - f. The SEC directed that the task of handling the movement of migrants is very delicate and a massive exercise. Therefore, the Nodal officer is empowered to issue all necessary directions to meet the emergent need.
3. Secretary, Agriculture informed that the agricultural activities are normal. With 12 Harvesters working in the fields, 82% harvesting is complete. The department is also working on a mobile application to bring buyers and farmers on one platform, to enable better price discovery of agriculture produce for the farmer's good.
4. Secretary, Fisheries informed that the department is collecting the data on the migrant workers in the fishing sector. As per the initial assessment of the department about 8,000 workers, mostly from Orissa and Jharkhand, have expressed their willingness to go back to their home State. He also informed that MPT is readying a SOP for receiving seafarers. The SEC advised that MPT's SOP needs to be aligned with MHA's guidelines, SOP issued by the DG Shipping and State's protocol on this issue.
5. Secretary, Education shared that the department is working on a plan to conduct the board exams for the students of 10th and 12th standards. The SEC advised that the plan should align with the national guidelines issued in this regard.
6. Commissioner (Excise) informed that the liquor manufacturers have produced about 4.72 lakh liters of hand sanitisers. He also informed that sanitiser is available in sufficient quantity, for which the departmental heads can raise their requisition to him.
7. CE(Electricity) informed that power supply is normal in the State. He also added that the power consumption has picked up in the State, and had normalised in the Industrial estates compared to the pre lockdown consumption. This shows that industrial activity is returning to normal.
8. Secretary, Civil Supply informed that the pace of disbursement of PDS ration has picked up, including the lifting of subsidized pulses. She also informed that after rationalisation it has been decided that the sale of groceries would now be done through the trucks of the

Horticulture Corporation, and the modified KTCL buses would be released for normal operations.

Committee also conveyed to all concerned that as per MHA orders, any person violating these containment measures or not complying with the above directions will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action u/s 188 of the IPC.
