

## Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 4th May, 2020

On 04/05/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached).

The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed that no new Covid-19 case has been detected after 3rd April 2020. As on date, Goa has had seven positive cases of Covid-19, and all seven patients have recovered. After recovery, these patients were shifted to a Quarantine facility outside the Covid Hospital, as per norms for further quarantine. 348 tests for Covid (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey), were done during the last 24 hours, on SARI/ILI patients, all of which were negative. The SEC appreciated the fact that **the 348 tests done today is the highest number of tests done in Goa so far, for any day.** The SEC noted with caution that Goa had not yet faced any community transmission.
2. Secretary, Health informed that the labs have started releasing the test results in two shifts, to fast track the process and enable timely discharge of the tested persons from the quarantine centres.
3. The SEC discussed the issue of return of migrants and emphasised that the focus should be on the movement of distressed people, as emphasised by the MHA in its guidelines/instructions issued on 3rd May 2020. The Nodal officer was asked to plan accordingly.
4. Secretary, WCD informed that SHGs have completed the task as assigned to them and have produced 39627 masks.
5. PCE(PWD) water supply is normal except for some disruption at Bambolim due to breakage in the main transmission pipeline. He has further informed that the

department has completed the repair work. However, as the concrete work would take time to gain strength, the normal water supply will resume only by tomorrow.

6. CE(Electricity) informed that the power supply is normal except for some disruptions in Tivim, which was restored the same day.
7. Commissioner (Excise) informed that the liquor shops/wholesalers/manufacturers have resumed operations today. It was noticed that most of the units followed the social distancing norms and other safety measures. Boards were displayed in these units mentioning - "no masks - no liquor".
8. Secretary, Civil Supply informed that the department has initiated action against some FPS owners who have not yet lifted the stock. The department has also discontinued the use of KTCL buses as supply chain is now normal.
9. Shri CR Garg, District Observer informed that the prices of pulses have come down due to the distribution of subsidised pulses from FPS shops.
10. Secretary, Law informed that the Registration has picked up and the department has registered 34 documents and 24 marriages during the day. The SEC advised the department to keep the process staggered to ensure the social distancing and other safety norms.
11. The Nodal Officer for Quarantine facilities informed that a total of 310 persons are sheltered in ten quarantine facilities. He is visiting these facilities regularly.
12. Secretary, Port informed that MPT may receive two vessels in mid-May that may involve Sign on/Sign Off. The SEC asked him to follow the laid down protocols and SOPs.
13. Secretary, Finance informed that the disbursement of the second installment of Rs. 500 for Jan Dhan Account holders has begun. The SEC advised that the banks be directed to follow the staggered timings and social distancing norms as was done earlier.
14. Secretary, Agriculture informed that the agricultural activities are normal. With 12 Harvesters working in the fields, 87% harvesting is complete.
15. Collector, South-Goa sought clarification on the functioning of the kitchen of the restaurants and the resultant movement of home-delivery vehicles after 7 pm. The SEC clarified that food/groceries delivery is an essential activity and hence permitted.
16. MD KTCL informed that KTCL ran 42 special relief buses today. The SEC advised that the bus services for the night shift for the staff engaged in health services/government duties should not be adversely affected.

17. Collector, South-Goa informed that there is requirement for using three KTCL buses to go to Kerala for transportation of stranded students/persons. The SEC asked the Collector to permit the movement on receiving the NOC from Kerala Government.
18. Collector, North-Goa informed that a group of stranded persons needed permission to go to Anand, Gujarat by making their own bus arrangement, and the group has the requisite permission from the Gujarat Government. The SEC permitted the same and advised that the State should facilitate such movements where receiving State has given consent.
19. The SEC directed the DIP to issue a suitable advertisement to make people aware about the restrictions in place during the Lockdown 3.0 to enable improved compliance.

Committee also conveyed to all concerned that as per MHA orders, any person violating these containment measures or not complying with the above directions will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action u/s 188 of the IPC.
