

Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 13th May, 2020

On 13/05/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached). The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed 424 tests for Covid (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey), were done during the last 24 hours, on SARI/ILI patients. All tests were negative except seven.
2. Secretary, Health informed about the seven cases of travellers whose tests came positive. One group, a family of five and their driver, all six of whom were asymptomatic, came from Mumbai/Solapur. All of them were in institutional quarantine and were awaiting results. The seventh case was of a driver of a goods vehicle who was symptomatic. All have been shifted to Covid Hospital, after a confirmatory test at GMC.
3. Secretary Health discussed the requirement for identifying a containment zone once these positive cases have been detected in the State. It was brought out that the logic of creating a containment zone is to effectively contain the area and the contacts of positive or suspect cases. As these cases came directly from Mumbai/Solapur and were in quarantine/isolation since they entered the State and they did not reach their home in Goa, and were kept in a controlled environment, hence, the need to create a containment zone was not felt necessary. However, the SEC advised the Health department to have a detailed discussion with these patients for getting information on the possible contacts they could have had during the journey, and this information be shared with the all concerned for effective contract tracing and testing by the Government of Maharashtra.

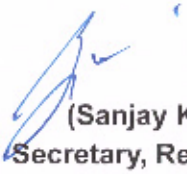

4. Shri Puneet Goel, Secretary, Science and Technology informed that as directed by the Hon'ble CM, he visited the Patradevi border post, for a meeting with the Guardian Minister of Sindhudurg district of Maharashtra, Shri Uday Sawant. The various issues raised by the Hon'ble Minister of Maharashtra were discussed. The SEC asked the Secretary, Education to examine the possibility of conducting the board exams in one of the closeby schools across the border, for the students of neighbouring areas of Maharashtra who attend schools in Goa.
5. PCE(PWD) informed that water supply got disrupted at many places because of disruption of the electricity supply. CE (Electricity) confirmed that the electricity supply got disrupted at many places due to inclement weather. However, the electric supply is now restored.
6. The Principal Secretary informed that movement of migrants across Keri border is not smooth due to some restrictions placed by Karnataka government. At the border, the physical barriers and procedural hurdles have forced residents of Karnataka to gather near the border checkposts. The SEC advised the Collectors to take up the matter with their counterparts.
7. Collector South-Goa informed that he has reviewed the arrangements for the movement of people coming by train. A team of Health officials have also visited Margao station to check the possibility of taking the swab for testing at the railway station. The SEC advised the Collector, South-Goa and Secretary, Health to coordinate and develop a suitable protocol.
8. Secretary, Law informed that the Registration process has picked up and the department has registered 52 documents and 15 marriages during the day. The SEC advised the department to keep the process staggered to ensure the social distancing and other safety norms.
9. The Nodal Officer for Quarantine facilities informed that a total of 344 persons are sheltered in 11 quarantine facilities.
10. Secretary, Ports informed that 61 seafarers are planned to start from Mumbai tomorrow after testing negative and obtaining the requisite permits. 81 crew of Karnika were also tested negative and they may also come to Goa in a couple of days. He has also shared the details of their quarantine centres with Collectors and the Health department.
11. MD, KTCL informed that 155 KTCL buses were operational today. He further added that the private buses have also started plying.
12. Shri Kunal, the Nodal Officer, informed that till date three trains have been sent, one to MP and two to J&K. He informed that these State/UT have directly paid the ticket cost to

Railways. One train is leaving today for Una, HP with 1473 passengers. A number of persons have left by buses and roads. A total of 13545 people have gone out of Goa and about 2041 people have arrived in Goa.

13. Secretary, Agriculture informed that the agricultural activities are normal. With 8 Harvesters working in the fields, 96 % harvesting is complete, and sowing for vegetables is on.

Committee also conveyed to all concerned that as per MHA orders, any person violating these containment measures or not complying with the above directions will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action u/s 188 of the IPC.

(Sanjay Kumar)
