

Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 22nd May, 2020

On 22/05/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached). The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed that 515 reports were received for Covid tests (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey for SARI/ILI patients), during the last 24 hours, and all were negative except two. Nine patients were cured and shifted out of Covid hospital. The total number of active cases is 38.
2. The SEC discussed the protocol to be followed for the incoming domestic train and air passengers. The SEC expects GoI to issue an SOP in this regard as many other States would be dealing with a similar situation. The SEC asked the Collectors and Secretary, Health to assess the capacity and the practicality of taking the throat swab samples of all incoming persons in view of the increased numbers entering Goa, the limitations of testing capacity and availability of trained manpower for the same. Secretary, Health informed that Kerala government has followed a model to send anybody entering the State from within the country to home quarantine, and restricting the testing to those who are symptomatic.
3. The Collectors after assessment have given a requirement for 15 Thermal scanners at present to screen an increasing number of train and air passengers. The Collector, South-Goa informed that both the Indian Railways and Airport authorities have asked for four such Thermal scanners each. The SEC approved the procurement of 15 Thermal scanners.
4. Secretary, Port informed that 57 people who landed in Mumbai from South Africa, have arrived in Goa. 12 of them are part of the National Centre for Polar and Ocean Research and rest of them are seafarers. He further added that some Hotels, which were tied up

for quarantining the Covid negative seafarers, backed out at the last movement. The SEC asked the Secretary, Tourism to take up the matter with the Hotel owners. The SEC also authorised Director, Tourism to declare the identified hotels as quarantine centers in consultation with Collectors and Secretary, Health.

5. The Nodal Officer for Quarantine facilities informed that a total of 863 persons (out of them 563 are seafarers, and 33 are train passengers) are sheltered in quarantine facilities.
6. Commissioner (Excise) informed that the liquor manufacturers have produced about 6.3 lakh liters of hand sanitisers.
7. Secretary, Law informed that the department has registered 65 documents and 15 marriages during the day. The SEC advised the department to keep the process staggered to ensure the social distancing and other safety norms.
8. MD, KTCL informed that 151 KTCL buses were operational today. He further informed that two buses are going to Krishnagiri, Tamil Nadu for transporting persons stranded in Goa from other States. The SEC permitted these bus trips outside of Goa.
9. Shri Kunal, the Nodal Officer, informed that three trains have departed for the UP today, each carrying 1628 passengers. The three more trains are planned to leave for the UP later in the day. For tomorrow, the Inter-State Movement Cell has planned for two trains, one for Orissa and one for Jharkhand. He further added that he needs to develop an IVRS system with the help of ITG to interact with the remaining stranded labourers to plan future train movements. The SEC gave the approval for the development of the application and incurring the expenditure from the Covid Relief Fund.
10. PCE(PWD) informed that the department carried out the planned shutdown of the Opa treatment plant for pre monsoon repair/maintenance. The work is expected to take two days, during this period, the water supply in Tiswadi and Ponda Taluka would be adversely affected.

Committee also conveyed to all concerned that as per MHA orders, any person violating these containment measures or not complying with the above directions will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action u/s 188 of the IPC.

(Sanjay Kumar)
