The SEC directed the Collectors and other officers handling the issue of stranded labourers to ensure compliance of the SC orders and to facilitate migrant workers to reach their home States.

6. PCE(PWD) informed that due to power failure at Salaulim, the water supply was adversely affected. CE(Electricity) informed that this happened due to low voltage. The water supply returned to normal as the problem has since been rectified.
7. Collector North-Goa sought clarification on whether people who were earlier sent to Home Quarantine after testing negative, may be allowed to move freely in view of the changed SOP. The SEC clarified that their movement need not to be monitored any more if they were tested negative.
