

## Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 9th May, 2020

On 09/05/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached).

The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed that no new Covid-19 case has been detected after 3rd April 2020. As on date, Goa has had seven positive cases of Covid-19, and all seven patients have recovered. After recovery, these patients were shifted to a Quarantine facility outside the Covid Hospital, as per norms for further institutional quarantine of 14 days, and they all have thereafter been sent for home quarantine as per laid down protocols. 384 tests for Covid (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey), were done during the last 24 hours, on SARI/ILI patients, all of which were negative. The SEC noted with caution that Goa had not yet faced any community transmission.
2. Shri Kunal, the Nodal officer, informed that the preparations are on to send one train to J&K, tomorrow. He is also coordinating with other States for the movement of migrants by other means of transport such as buses and by their own arrangement. He raised the issue of congestion caused at the Pollem check post, as there are very few entry points for the returning stranded labourers of Karnataka. The SEC advised Collector, South-Goa to coordinate with his counterpart in Karnataka for smooth movement across the border.
3. Collector, South-Goa informed that Karnataka is now accepting their residents without insisting on Aadhar details; about 1,000 people are likely to cross over to Karnataka tonight, through the border points on the road. The SEC advised him to continue to coordinate with Karnataka authorities for such movement.
4. The SEC noted that there is a likelihood of stranded Indians/Goan coming by flight at Goa airport. The SEC directed the Secretary, Health and other concerned to make

necessary arrangements. The SEC also directed Secretary, Tourism to start working on making more paid quarantine centres available, as per the instructions issued by the MHA on 5th May 2020 regarding movement of Indian nationals stranded outside the country, wherein it is mandated for institutional paid quarantine for 14 days [Point No.2(viii)]. The SEC directed that MD, GTDC will assist in making arrangements for sufficient numbers of such quarantine facilities, in coordination with the Health department and the Collectors.

5. The SEC also discussed the process of online registration of people who need to come to or leave Goa. Collector North-Goa and Director, IT informed that some changes have been done on the online portal, as required, to bring clarity to the applicants, who apply under different categories.
6. Collector, North-Goa informed that the currently designated quarantine facilities are fast reaching saturation and the State needs to make more such arrangements. The SEC asked the inter-state movement cell to workout a mechanism to plan the movement of people coming in, based on the availability of the quarantine facilities, and identify more facilities simultaneously.
7. PCE(PWD) informed that some complaints are being received about the drop in pressure in the water pipelines at the tail-end of the water supply chain. He informed that this problem is seasonal, especially during this period of the year. Wherever required, water supply is augmented through the supply of tankers.
8. Shri Keshav Kumar, District Observer informed that at the Dodamarg check post, the traffic movement has become smooth after more data entry operators have been deployed. The SEC advised that there is need to constantly monitor the movement at the borders for removing the bottlenecks that get created.
9. MD, KTCL informed that the buses that had gone to Ratlam and Silvassa have since returned. On their returned journey, they have brought back stranded Goans.
10. Secretary, Health informed that the new set of indelible ink has arrived. The SEC directed the Collectors to pick the stock and distribute the same to replace the existing stock immediately.
11. IGP informed that the police have so far taken action against 4154 persons for non-wearing of masks and against 5563 persons for spitting at public places. The SEC advised the continuation of the strict action in this regard.
12. Secretary, Civil Supply informed that Goa has distributed about 53% of pulses under PMGKAY as against 27 % national average, as reported in some newspapers. The regular distribution of ration has reached 81% for AAY and 71% for PHH cardholders.

Committee also conveyed to all concerned that as per MHA orders, any person violating these containment measures or not complying with the above directions will be liable to be proceeded against as per the provisions of Section 51 to 60 of the Disaster Management Act, 2005, besides legal action u/s 188 of the IPC.
