

Minutes of Meeting of the State Executive Committee held at the Forest Bhavan, on 25th April, 2020

On 25/04/2020, a meeting of State Executive Committee (SEC) was held under the Chairmanship of Chief Secretary (also Principal Secretary, PWD), Goa and the following other members of the SEC also attended:

1. Shri Puneet Goel, Principal Secretary, Science and Technology
2. Shri S.K. Bhandari, Secretary, Transport
3. Shri Sanjay Kumar, Secretary Revenue, Member Secretary, SEC & SDMA

The SEC was briefed about the reports on Law & Order, Trucks Movement, Relief & Shelters, and Covid Status Report (copy attached).

The other officers (as per the list Annexed), also attended the meeting as special invitees.

After deliberation on the current situation, the SEC noted and decided the following:

1. **Status of COVID19:** Secretary Health informed that no new Covid-19 case has been detected after 3rd April 2020. As on date, Goa has had seven positive cases of Covid-19, and all seven patients have recovered. After recovery, these patients are shifted to a Quarantine facility outside the Covid Hospital. 165 tests (this includes tests done on the samples collected so far of those who were surveyed during the House-to-House survey), for Covid were done during the last 24 hours, on SARI/ILI patients, all of which were negative. The SEC noted with caution that Goa had not yet faced any community transmission.
2. The SEC discussed the implication of the MHA's order allowing the opening of shops registered under the Shops and Establishment Act, in the rural and urban area. The MHA's order has made a distinction between shops in the rural and urban areas. However, the SEC felt that there should be a uniformity in Goa and rural areas should be treated similar to urban areas in the State. The SEC decided that the following should be implemented:

"All standalone shops, neighbourhood shops and shops in residential complexes which are registered as 'Shop' under the Shops and Establishments Act will be allowed to open. Shops in markets/market complexes and shopping malls will not be allowed. It is further clarified that e-Commerce companies will be allowed to deliver only essential items. Also, sale of liquor shall not be allowed. All shops will be allowed to open with 50% of the workers, wearing the masks and ensuring social distancing norms. Those establishments which have not been allowed under the Epidemic Disease Act or u/s 144 CrPC by the Collector will also not be open, such as Gyms, Cinema Hotels, Public Swimming Pool, Casinos, Spas, Massage

Parlours, Salons, River cruises, night clubs, multiplexes, sale of liquor, restaurants for inhouse dining, tea shops, pan shops, dhabas, Gadas, Street food vendors, beach shacks, or any other types of eateries for general public.”

3. Secretary, Health informed that the next batch of 1,000 Thermal guns have arrived and most of them have been distributed to the departments, as per their requisition and prioritisation.
4. PCE(PWD) informed that the pump at Padocem could not be made functional despite all efforts. The technical staff required for this purpose has arrived and is under testing by the Health department. His services would be utilised once he is tested negative for the restoration of the pump at Padocem. The water supply to other areas is normal.
5. The Nodal Officer (Foreigners) informed that till date 6132 foreigners have left Goa in 31 special ferry flights from Goa.
6. Commissioner (Excise) informed that the liquor manufacturers have produced about 3.50 lakh liters of hand sanitisers.

Therefore, the Collectors need to deploy one official at each FPS to ensure distribution as per entitlement, as per GOI instructions.
10. Secretary, Ports informed that the crew of Merella Discovery is expected to arrive soon, they are yet to depart from Mumbai. The SEC asked the Collector, North-Goa and the Health department to put in place the necessary modalities for their Quarantine and testing.
11. Shri CR Garg, District Observer visited Pollem Check post in Canacona Taluka. He informed that some changes related to the facilities at this border checkpost are required by the police. The SEC asked PCE(PWD) to do the needful. He further added that the data entry of vehicles and personnel was being done smoothly.
