NOVEL CORONAVIRUS (COVID-19)

COVID-19 testing - when and how?

All individuals need not be tested, because

Disease is primarily reported in individuals with travel history to the affected countries or close contacts of positive cases.

WHOM TO TEST

All symptomatic people who

- Have history of international travel in last 14 days
- Had come in contact of confirmed cases
- Are healthcare workers
- Are hospitalized patients with Severe Acute Respiratory Illness (SARI) or Influenza Like Illness (ILI) or severe pneumonia.

Asymptomatic direct and high-risk contacts of confirmed cases should be tested once between day 5 and day 14 of coming in bluffer contact. Direct and high-risk contact include:

- Those living in same household with a confirmed case
- Healthcare workers who examined a confirmed case without adequate protection as per WHO recommendations.

NOVEL CORONAVIRUS (COVID-19)

When to wear a Mask?

Everyone NEED NOT WEAR a mask!

Only wear a mask if

- You have symptoms (Cough, fever or difficulty in breathing)
- You are caring for a COVID-19 suspect/confirmed patient

FAQs

[Click to see the FAQ pdf](#)

Change the mask after six hours or as soon as they become wet.

Never reuse the used mask. Dispose it immediately after use. Do not touch the inside of the mask, while removing it.

Do not touch the potentially contaminated outer surface of the mask, while removing it.

After removal of mask, wash your hands with soap and water or use alcohol-based hand rub disinfectant.

Together we can fight COVID-19!

Protect yourself and others!

Follow these Do's and Don'ts

Do's

Practice frequent hand washing. Wash hands with soap and water or use alcohol based hand rub. Wash hands even if they are not sticky.

Cover your nose and mouth with *translucent/tissue* while sneezing and coughing.

Wipe and dispose into closed bins immediately after use.

See a doctor if you feel unwell (fever, difficulty breathing and cough). While waiting for doctor wear a mask/cover to cover your mouth and nose.

If you have these symptoms please call State helpline number or Ministry of Health & Family Welfare's 1075 helpline at 011-23978046.

Avoid participating in large gatherings.

Avoid a close contact with anyone if you're experiencing cough and fever.

Touch your eyes, nose and mouth.

Sneeze in public.

Don'ts

Together we can fight Coronavirus
