Latest regulations

S.I. No. 206 of 2020: Health Act 1947 (Section 31A - Temporary Restrictions) (Covid-19) (No. 2) Regulations 2020

These Regulations support Phase 2 of the Ireland's Roadmap for Reopening Society & Business and come into effect from 8 June 2020. They reflect that we are moving from staying at home to staying local.

We can travel within a 20 kilometre radius of our homes or anywhere within our county for social and recreational purposes. This includes travel and leisure.

We can gather for social or recreational purposes in other people's homes, subject to a maximum of 6 people at such a gathering

We can exercise outdoors with others or gather outdoors with others for social and recreational purposes, subject to a maximum of 15 people.

People may travel outside of these geographical limits for visits to vulnerable persons.

Many shops and businesses can reopen. Facilities which by their nature involve close contact with other people must remain closed for now.

To safeguard public health, the Regulations restrict the number of people that may attend certain indoor and outdoor events (social, recreational, cultural, entertainment, sporting, community or educational) to 15 people.

It is an offence to organise or cause to be organised an event of this kind where the number of people attending exceeds 15 people.
