

## Latest updates

As at 10am on 11 April 2020, in the Isle of Man there have been:

Confirmed cases 204	Hospital admissions 11
Total tests 1934	Concluded tests 1820
Awaiting results 114	Awaiting tests 77
Number of deaths 1	Presumed recovered 112*

\*Since the last update yesterday at 4pm, there have been 3 further confirmed positive tests for coronavirus, taking the overall total confirmed cases in the Isle of Man to 204. 192 patients have been instructed to self-isolate and 11 are being treated at Noble's Hospital. There have been 1,820 concluded tests and 114 people are awaiting results. The number of individuals who are presumed recovered from the virus is 112.

## Daily confirmed cases

-  Likely uncontrolled progression
-  DHSC planning assumptions
-  Optimal social distancing
-  Three day average
-  Actual cases

The graph shows the daily confirmed cases as at 4pm 10 April and the projected infection rates for a best case scenario compared to a likely uncontrolled progression. The graph demonstrates the importance of social distancing to avoid a sharp peak of infections and ensure our health service is able to manage the number of cases it experiences.

### Borders (all ports)

Closed to everyone from Friday 6 am on 27 March 2020 (except key workers, subject to prior approval, and Isle of Man residents returning from overseas – [see the Travel and Borders webpage](#))

### Businesses

The Isle of Man has issued a [guidance note](#) on businesses that must be closed to the public (with clear exceptions).

All other businesses that are not named in the guidance note as mandated to close may be operational and must take every possible step to facilitate their employees working from home

Businesses where working from home is not an option may be operational but must make sure strict social distancing and health guidelines are in place to protect workers.
