Daily confirmed cases

As at 4:45pm on 22 April 2020

-  Likely uncontrolled progression
-  DHSC planning assumptions
-  Optimal social distancing
-  Three day average
-  Actual cases

Borders (all ports)

Closed to everyone from Friday 6 am on 27 March 2020 (except key workers, subject to prior approval, and Isle of Man residents returning from overseas – [see the Travel and Borders webpage](#))

Businesses

The Isle of Man has issued a [guidance note](#) on businesses that must be closed to the public (with clear exceptions).

All other businesses that are not named in the guidance note as mandated to close may be operational and must take every possible step to facilitate their employees working from home.

Businesses where working from home is not an option may be operational but must make sure strict social distancing and health guidelines are in place to protect workers. Based on medical advice, as of 6am on Friday 24 April 2020, certain sectors will be able to return to work, where it is possible for them to abide by social distancing guidelines. These sectors are the construction sector, trades, and horticulture operators. Further information on this phased return to work can be found in the [Chief Minister's Statement](#).

Freight and supplies

Continuing as normal

Gatherings & social events

The restrictions on any public gatherings in public spaces of more than two people (unless from the same household) will remain in place until further notice.

Hospitals

Visiting highly restricted

In an emergency

Call 999

Public transport

Currently operating, please avoid non-essential travel where possible

Road restrictions

All-island speed limit of 40mph in place. Continue to observe 30mph and 20mph as currently required.

Schools

Schools are closed to most pupils, but some schools remain open for children of key workers and vulnerable or SEN children. Free school meals continue to be provided.

Shops (non-essential suppliers)

All to close by Thursday 26 March 2020. Please see the full list of closures and exemptions for more information.

Construction and trades

Presently only work that is essential or emergency work and work on critical national infrastructure or in the national interest may take place. As of 6am on Friday 24 April, the construction, trades and horticulture sectors may return to work provided that they are able to observe strict social distancing while doing so.

Social distancing

Compulsory for all residents whenever at work or outside of the home:

- Only leave your house for food, health reasons, work (where this absolutely cannot be done from home), brief period of exercise each day
- Stay 2 metres (6ft) away from other people
- Wash your hands as soon as you get home

Stay at home requirement

At present, all residents must stay at home, except in very limited circumstances:

- Collection of medication and any other medical need
- Once a day exercise: this can be with other household members only
- Postal services
- Providing support for Vulnerable adults
- Purchase of food, pet supplies
- Moving under 18s between the homes of separated parents
- Travelling to and from work but only where this absolutely cannot be done from home

As of 6am on Friday, 24 April 2020 residents will be asked to remain at home as much as possible. It will be possible to leave the home for however you must observe strict social distancing guidelines at all times. Further guidance will be issued this week.

Symptoms and testing

Use [online assessment tool](#) or call 111

In order to slow the spread COVID-19 if you CAN stay at home, do so. If you absolutely have to go out, then keep your distance.
