Cases in the Isle of Man

- New cases
- Total cases
- Active cases

The above chart shows active cases, new cases and total confirmed cases in the Isle of Man from the start of the coronavirus pandemic and how the Island is progressing through each phase.

Borders (all ports)

Update 25 June 2020: The governments of the Isle of Man and Guernsey have <u>agreed to form an air</u> <u>bridge</u> allowing travel between the jurisdictions without the need for self-isolating on arrival.

Closed to everyone from Friday 6 am on 27 March 2020 (except key workers, subject to prior approval; Isle of Man residents returning from overseas; Isle of Man residents returning to the Island after leaving to see immediate family for compassionate reasons, for example end of life or to attend a funeral; and non-Island residents who wish to travel to the Isle of Man on compassionate grounds, either to attend the funeral of a close family member or to visit a terminally ill close family relative.

People may leave the Island if they wish; however it may be difficult to return unless they meet the eligibility criteria for current repatriation schemes.

See: Travel advice

<u>Businesses</u>

Any legal requirement for social distancing in our community was removed on 15 June. Businesses are no longer legally required to take steps in relation to social distancing, such as encouraging employees to work from home, or limiting the number of customers in shops.

COVID-19 will remain a risk for some time and you must manage this risk in the same way you would manage any other risk to your staff or customers, in line with Health & Safety legislation. You may wish to continue to implement some enhanced hygiene and social distancing measures should this be deemed an appropriate and proportionate way to manage risks.

See: New guidance for businesses

Hospitals

Visiting restricted.

See: Visiting Policy

Schools

All school sites are reopen for voluntary attendance, all those children who were being taught in hubs are now be able to return to their normal school.
