

## Press Releases

### 36 Confirmed Cases of COVID-19 in Jamaica – Healthcare Worker tests positive

There are now 36 confirmed cases of COVID-19 in Jamaica. Additional results received at 9:00 p.m. from the National Influenza Centre, showed that of the five pending results from yesterday, three samples tested negative, while two were positive for COVID-19. The two new cases are: a 45 year old female,...

### Health Ministry urges end to COVID-19 misinformation

The Ministry of Health and Wellness is once again urging Jamaicans to refrain from sharing unsubstantiated information about the Coronavirus Disease 2019 (COVID-19) on the island. "Misinformation about COVID-19, whether it is shared deliberately or not, is a disservice to the national efforts to contain the spread of the virus..."

### Travellers reminded to self-quarantine

The Ministry of Health and Wellness is reminding travellers who, in the last week, have come into the island from countries where there is local transmission of the Coronavirus Disease 2019 (COVID-19) that they are to self-quarantine for up to 14 days. Countries with local transmission include the United Kingdom,...
