KEEP YOUR FAMILY SAFE

AVOID

- Close contact with people who are sick.
- Touching your eyes, nose, and mouth.
- Sharing cups, plates or other personal items.

Frequently clean and disinfect your household.

Have at least a 30-day supply of your prescription medications, health supplies, and food.

Cover your nose and mouth with a tissue when coughing and sneezing, then throw the tissue in the trash.

Get rest, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.

Health Ministry urges end to COVID-19 misinformation

The Ministry of Health and Wellness is once again urging Jamaicans to refrain from sharing unsubstantiated information about the Coronavirus Disease 2019 (COVID-19) on the island. "Misinformation about COVID-19, whether it is shared deliberately or not, is a disservice to the national efforts to contain the spread of the virus..."
